No.G-1 [illegible] Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Via Dharwar, 2nd May 1950.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject :- Accident to a Mazdoor, Krishnavva Bhimappa of Jagnur.

On the 17th November 1949, a woman mazdoor named Krishnavva Bhimappa while working on the construction of the Ghataprabha Left Bank Canal slipped and fell down. This resulted in an accident and the legs of the mazdoor were bruised.

2. She was immediately taken home by her husband. Unfortunately the woman mazdoor died the next day.

3. It is, however, not known whether the accident was the cause of her death. The Executive Engineer, Ghataprabha Left Bank Canal, however, has obtained the statements regarding the opinions of the persons present at the time of the accident and sent copies thereof to the Commissioner for Workmen's Compensation, stating that the woman mazdoor in question was employed on daily wages by Shri.[illegible]Wagh, a piece-worker of Ghataprabha Left Bank Canal Division, on daily wages of Rs.-12-0, that she was not in continuous service for a period twelve months immediately preceding the accident and that the average monthly wages, calculated as per clause 'C' of Section 5 of the Workmen's Compensation Act worked out to Rs.22-8-0.

4. Medical certificate regarding the opinion of Medical Officer, on the accident could not be obtained as no medical aid was given to her as could be made out from the statement given by her husband.

5. The Executive Engineer is in correspondence with the Commissioner for Workmen's Compensation, Bombay, on the above subject and has enquired of him as to whether any compensation is required to be paid to the woman mazdoor (deceased) by the piece-worker and if so, how much.

6. Further report in this connection will be sent to Government in due course.

Subject:- Accident to Mazdoor Krishnavva Bhimappa of Jaganur.

Reference: Government Expeditor P.W.D. No.S.2/2/70857-I.B.(II) of 30-9-1950.

The Contractor Shri. S.H.Wagh was asked to deposit an amount of Rs.720/- with the Commissioner for Workmen's Compensation, Bombay, as compensation to the heir of the deceased Mazdoor. The Executive Engineer reports that the contractor has paid the amount to the husband of the deceased mazdoor and a copy of the receipt for Rs. 720/- passed by Bhimappa, the husband of the deceased mazdoor, in token of having received the amount from the contractor, has been produced by him to the Executive Engineer.

2. The Executive Engineer has further made a reference to the Commissioner for Workmen's Compensation as to the validity of the payment of Rs.720/- by the contractor to the husband of the deceased mazdoor, when he was asked to deposit the amount with the Commissioner. Further report in the matter will be sent to Government on receipt of reply from the Commissioner.

No.G-1. Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 15th February 1951.

To

The Chief Engineer to Govt.,
Public Works Department,
Bombay.

Subject:- Accident to Mazdoor
Shrimati Krishnavva Bhimappa of
Jaganur.

Reference: This office No.G-1 of 7-1-1951. p. 13 ante

2. The contractor Shri.S.H.Wagh was several times intimated by the Deputy Engineer, 'B' Sub-Division to deposit the amount of Rs. 720/- with the Commissioner, for Workmen's Compensation. The Executive Engineer finally intimated on 10th January 1951 to the Contractor that the amount will be recovered from his bills, if the amount is not deposited immediately.

3. On protest by the contractor against the recovery of Rs. 720/- to the Commissioner for Workmen's Compensation, the Commissioner informed him that under provision made in section 8(1) of the Workmen's Compensation Act, no payment of compensation in respect of a workman whose injury has resulted in death, shall be made otherwise than by deposit with the Commissioner and no such payment made directly by an employer shall be deemed to be a payment of compensation.

4. Finding that the contractor could not deposit the amount, immediately, the necessary compensation amount of Rs. 720/- has now been recovered by the Executive Engineer from the bill of the contractor and the same has been kept in deposit in the books of the Divisional Office. This fact has been communicated by the Executive Engineer to the Commissioner for Workmen's Compensation. The amount will be remitted to him as and when called for, by the Commissioner.

5. Further report will be submitted in due course.

Superintending Engineer,
Karnatak Irrigation Circle.

Copy forwarded with compliments to the Executive Engineer, Ghataprabha Left Bank Canal Division, Ghataprabha, for information with reference to his No.G-1 of 6-2-1951 for submitting further report in the matter.

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 10 th March 1951.

To

The Chief Engineer, to Government,
Public Works Department,
Bombay.

Subject :- Accident to Mazdoor Shrimati Krishnawa Bhimappa of Jaganur.

Reference:- This office No. G-1 of 15-2-1951. - p. 15 ante

2 The Executive Engineer, Ghataprabha Left Bank Canal Division, Ghataprabha , remitted the amount of Rs. 720/- by cheque to the Commissioner for workmen's compensation after recovery of the same from the bill of the Contractor Shri. S.H.Wagh. The Contractor, however, protested against this recovery as he had already paid the amount to the husband of the deceased mazadoor and a copy of the receipt of Rs. 720/- passed by Bhimappa, the husband of the deceased mazdoor, in token of having received the amount from the Contractor, had been furnished to the Commissioner for Workmen's Compensation through the Executive Engineer, Ghataprabha Left Bank Canal Division.

3. The Commissioner for Workman's Compensation has however returned the cheque saying that as the the contractor is denying his liability to pay, the compensation should not be recovered from the Contractor's bill. If the dependents of the deceased mazdoor have any complaint against the contractor regarding the validity of the payment of Rs. 720/-, they are to apply to the Civil Judge Senior Division, Belgaum who is also the Commissioner for Workmen's compensation for that District. The Executive Engineer, Ghataprabha Left Bank Canal Division, has been asked to advise the dependents of the deceased accordingly.

Subject: Accident to Shri.P.B.Kedari, mazdoor.

One mazdoor by name Shri.P.B.Kedari, working in the transport section in the Mechanical Sub-Division under Ghataprabha Left Bank Canal Division, Ghataprabha, met with an accident on the 3rd January 1951. His right hand, while starting the jeep No.BYZ 2542, has been injured. The details as to how the hand was injured are still awaited from the Deputy Engineer, Mechanical Sub-Division who has been expedited by the Executive Engineer. The mazdoor has been admitted in the Karnatak Health Institute hospital for medical treatment. The details of injury etc will be reported on receipt of a certificate from the medical officer, Karnatak Health Institute, Hukeri Road.

2. The mazdoor is working on a daily wages of Rs.1-4-0 only.

No. G-1

Karnatak Irrigation Circle,
Dharwar, 1 April 1951.

To

The Chief Engineer to
the Government of Bombay,
Bombay-1.

Subject: Accident to Shri. P.B.Kedari, Mazdoor.

Reference: This office No.G-1 dated 23-1-1951.

2. As a result of the accident to Shri.P.B.Kedari, mazdoor on 3-1-1951 both the bones of his right hand forearm were fractured. From the medical certificate, it is seen that the partial disablement caused by the injury is likely to continue for a further period of 4 to five months. Under these circumstances, the Commissioner for Workmen's Compensation states that compensation is payable as the injury received by him by accident arose out of and in the course of his employment. As the workman is still under treatment he is entitled to receive half monthly payments at the rate given in the last column of schedule IV viz. Rs.10 per month against the wage group in which he falls. His claim for lump sum compensation will have to be considered after the nature of the injury is finally determined. The Executive Engineer, Ghataprabha Left Bank Canal Dn. has been asked by the Commissioner for Workmen's Compensation...

to calculate the monthly rate of wages. Further report in this connection will be sent in due course.

The Superintending Engineer,
Southern Circle, Belgaum.

To

The Secretary to Government,
Public Works Department, Bombay.

No.G-1. Public Works Department,
Belgaum: 14th October, 1949.

Subject : Accident in the well at Ramtirth (Hoskop), Taluka Hangal, District Dharwar.

The Executive Engineer, Dharwar Division, reports that on the 10th July, 1949, a fatal accident occurred on the work of constructing a well at Ramtirth (Hoskop) resulting in the death of a Waddar woman, Yellawa Kom Nagapa Kalla Waddar, who was drowned and succombed to death.

2. The work of construction of the steining was in progress at the time of the accident. The coir rope tied to the scaffolding built to carry out the steining work gave way on account of heavy load of materials and the woman fell into the well and was drowned. A copy of the Police Panchanama in Kannada together with its English translation is submitted herewith for favour of perusal.

3. The work of constructing the well was let out on Piece Work contract to one Mr. C.R.Shivpuji and the deceased Waddar woman was being paid daily wages at Rs.0-12-0 at the time of the accident. On this basis, the Commissioner for Workmens' Compensation, Bombay, has informed the Executive Engineer, Dharwar Division, that the compensation amounting to Rs.630/- or Rs.720/- is payable to the legal heirs of the deceased woman, if her average monthly wages fall in the group of Rs.18-21 or Rs.21-24 respectively. The Executive Engineer, +Dharwar Division, reports that the average monthly wages of the deceased woman fall in the group of Rs.21-24 as she was paid daily wages at Rs.0-12-0, the amount of compensation payable as per the Commissioner, Workmen's Compensation, Bombay's letter (copy attached) works out to Rs.720/-.

4. It is, therefore, requested that Government may, in your concurrence, kindly be moved to accord sanction to the payment of compensation of Rs.720/- to the legal heirs of the deceased through the Commissioner for Workmen's Compensation, Bombay, by debit to the work concerned and to recover the amount from the Piece Worker to whom the work has been let out.

5. Early orders of Government in the matter are requested.

Accmptsl

As above.

Superintending Engineer, S. C.

These papers relate to the fatal accident that occurred on the work of constrn. of a well at Ramtirth (Horkop), Taluka Hangal, Dist. Dharwar. A waddar woman named Yellawa Kom Nagapa Kalla Waddar fell into the well on 10-7-49 and was drowned. She was being paid daily wages at Rs 0-12-0. On this basis, the Commr. of Workmens' Compensation, Bijay, has recommended a P.9 compensation of Rs 720 to the legal heirs of the deceased. The S.E., S.C. requests Govt. to sanction P 11 ~~the sanction~~ the payment of Rs 720 as compensation by debit to the work concerned and to recover the amount from the piece-worker to whom the work has been let out.

2. The S.E's request may be granted after usr. to ~~the H.D.C. and~~ the F.D.

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 7th December 1950.

To

The Secretary to Government,
Public Works Department,
Bombay.

Subject:- Accident in the well at Ramatirth (Hoskop) Taluka Hanagal Dist.Dharwar.

Reference: Government letter P.W.D.No.S-2/2/77265-I.B.(II), dated 3rd Dec.1949.

2. Consequent upon the opening of the Dharwar Irrigation Division with effect from 1-4-1950, the case on the above subject has been transferred by the Executive Engineer, Dharwar Division to the Executive Engineer, Dharwar Irrigation Division, as the accident in question pertains to the Irrigation Sub-Division, Hanagal under Dharwar Irrigation Division.

3. In accordance with the orders contained in the Government letter referred to above, the Deputy Engineer, Hanagal Sub-Division was asked to recover the amount of Rs.720/- to be paid to the legal heirs of the deceased female mazdoor, Shrimati Yellavva husband Nagappa Kallavadar from the piece-worker Shri. C.R.Shivapuji as per clause 3 of the Contract agreement.

4. The Executive Engineer, Dharwar Irrigation Division, Dharwar, now reports that the piece-worker has abandoned the above well work in addition to the one more taken by him, unfinished. It is, therefore, not possible to recover the whole amount of Rs.720/- from the piece-worker by deduction from bills due to him. The Commissioner for workmen's Compensation has stated in his letter No.C.O.14050 of 7-11-1950 that the compensation admissible under schedule IV to the Workmen's Compensation Act, will come to Rs.600/- only, as the monthly average wages of the mazdoor worked out to Rs. 18/- only in accordance with the facts mentioned in the piece-worker's subsequent application.

5. If the two well works referred to in para 4 above, are finalled up at the existing stage, an amount of Rs. 244-2-0 only will be due to the contractor after recovering the cost of materials such as cement, etc., supplied by the Department. This amount has, therefore, been withheld by this Department for part payment of the compensation due to the legal heirs of the deceased Mazdoor.

6. It is, however, learnt that the piece-worker has also represented directly to the Commissioner for reduction in the amount of compensation. It is also reported that the piece-worker has paid an amount of Rs.200/- as help to the legal heirs of the deceased woman but no receipt has so far been produced by him although he was asked to do so by the Deputy Engineer, Hanagal Sub-Division.

7. The Commissioner for workmen's compensation has been expediting the Executive Engineer, Dharwar Irrigation Division for depositing the amount of Rs.600/- towards payment of compensation. As it is not possible to recover

the...

the full amount from the piece-worker, who has expressed his inability to pay such a large amount, I may please be informed whether the payment of the remaining amount of Rs. 355-14-0 (Rs. 600-244-2-0) may be made by the Executive Engineer, Dharwar Irrigation Division by debit to the well work in question.

Superintending Engineer,
Karnatak Irrigation Circle.

Through:

The Chief Engineer to Government, Public Works Department, Bombay, with compliments.

Submitted w/r. to Govt Letter No S-2/2/77265
IB (II) of the 3-12-1949 p17

2 The S.E. K.I.C. reports that the case reg: the accident in the well at Ramtirth, Taluka Hangal, Dt Dharwar was transferred by Dharwar Dn to Dharwar Irrig Dn on the opening of the latter office, as the accident pertained to Dharwar Irrig Dn and accordingly the Dy Engr Hangal Sub Dn was asked to recover the amount of Rs 720/- from the piecework for payment to the heir of the deceased.

3 The S.E. states that the EE Dharwar Irrig Dn now reports that the piecework has abandoned the well work in addition to one more work which he has left unfinished. He therefore states that it is not possible to recover the amount of Rs 720/- in full from the piecework. Besides the Commissioner has informed that the compensation admissible under the workmen's compensation Act will be Rs 600/- only on the basis of the average monthly wages of the mazdoor. Further the total amount of the two bills to be finalled and payable to the piecework after excluding the cost of material issued to him comes to Rs 244/2/- and this much amount will be withheld as part payment of compensation. As the Commissioner has been expediting the E.E. for depositing Rs 600/- towards compensation and as it is not possible to recover the full amount from the piecework, the S.E. requests orders to pay the remaining amount of Rs 355/14/- (Rs 600 - Rs 244/2) by debit to the well work

4 In this connection Govt issued orders to recover the amount of Rs 720/- from the piecework on the 3-12-1949 + no action seems to have been taken for the recovery from the piecework until the commissioner pressed for depositing the amount of Rs 600/- The SE may be requested to state whether no payments were made to the piecework after the receipt of the Govt orders for the recovery from the piecework

& if any payments were made why the recovery in question was not effected from those bills. The lapse of timely action and the inordinate delay in the disposal of the case have entailed loss to Govt. If no intermediate payments are made to the piecework, the balance of Rs 355/14/- may have to be paid by charge to the well work after sanction of the F.D. & the L.S.G. & P.H.D.

No. G-1 Office of the Superintending Engineer,
Karhatak Irrigation Circle,
Dharwar, 31 St Jan. 1951.

To

The Chief Engineer
to the Government of Bombay,
Public Works Department,
Bombay-1.

Subject: Accident in the well at Ramtirth (Hoskop) Taluka: Hangal, District: Dharwar.

Reference: Government P.W.D. Letter No.S/2/2/101415 V.W.S., dated the 27th December 1950.

2. The Executive Engineer, Dharwar Irrigation Division, Dharwar reports that on receipt of the Government letter (P.W.D.) No.5.2/2/77265-I.R.(IT) dated 3-12-49 the Executive Engineer, Dharwar Division had taken action already in trying ~~the~~ to recover the amount of compensation from the piece-worker without waiting till the receipt of communication from the Commissioner for Work-men's Compensation, Bombay, as presumed. It is also seen that no payments have been made to the piece-worker after the receipt of Government orders, as he had abandoned the works entrusted to him in unfinished state.

3. In addition to the two unfinished well works reported in para 5 of this office No. G-1 dated 9-1-1951, the Executive Engineer, Dharwar Irrigation Division now reports that the piece-worker had left one more work in connection with the improvements to Dharma Canal in an incomplete state. On finalling up all these works at the existing stage, an aggregate amount of Rs. 380-2-0 (and not Rs. 244-2-0 as reported in para 5 of this office letter No.G-1 dated9-1-1951) is due to the piece-worker after recovering the cost of materials supplied to him by this Department. The amount of Rs. 244-2-0 originally reported was due to not taking into account the third bill to be paid to the piece-worker.

4. In view of the above circumstances, Government may please be moved to issue orders as to whether payment of the remaining amount of Rs. 219-14-0 (Rs. 600 minus Rs.380-2-0) may be made by the Executive Engineer, Dharwar Irrigation Division by debit to the well work in question.

2 The S.E.K.G.C. now reports that after the receipt of Govt orders contained in E.L. No. 5-2/2-11625 dated the 3-12-49, the E.E. Dharwar Dn. had taken necessary steps to recover the amount of compensation from the piece Worker without waiting till the receipt of communication from the Commissioner for Workmen's Compensation. The E.E. has not made any payment to the piece Worker after the receipt of the above Govt orders.

XP.16

The S.E further reports that the piece Worker - Shri Shivaji - had left one more Work in connection with the improvements to Dharwar canal in an incomplete state. on finalling up all these Works at the existing stage, the aggregate ~~stage~~ amount of Rs 380-2-0 and not Rs 244-2-0 as reported previously, is due to the piece Worker after recovering of the

cost of materials supplied to him by Govt.

In view of the circumstances mentioned above, the S.E. requests Govt to issue necessary orders as to whether payment of the remaining amount of Rs. 219-14-0 (Rs. 600 — 380-2-0) may be made by debit to the well work in question.

There seems no objection to the above proposal. The necessary orders may be issued in the matter, after U.O.R. to the F.D.

Thro D.E.(V.W.S.)

3 Please see para 6 of the S.E's letter on page 21 ante. It is reported therein that an amount of Rs. 200 has been paid by the price-worker to the legal heirs of the deceased woman. No receipt for this amount is forthcoming. Had the price-worker paid this amount to the party concerned through Govt., the liability (additional) of Govt. would have been reduced to (Rs. 219-14-0 less Rs. 200) Rs. 19-14-0 only. In the circumstances however there appears no alternative but to sanction an amount of Rs. 219-14-0 as part contribution towards compensation by debit to the well work. This may be done in concurrence with the D.S.& P.H.D. and the F.D.

Copy of letter No.C.O.6243 dated 14/16th May 1951 from the Commissioner For Workmen's Compensation, Bombay, to the Superintending Engineer, Karnatak Irrigation Circle, Dharwar, regarding accident in the well at Ramtirth(Hoskop), Taluka Hangal, District Dharwar.

"Reference:your letter No.G-1, dated 14-4-1951.

In the circumstances the dependants of the deceased workman may be advised to make an application against the Public Works Department in form 'G'(copy attached) in duplicate to the Civil Judge, Senior Division and ex-officio Commissioner for workmen's Compensation, Dharwar, within whose jurisdiction the accident took place. The Public Works Department in its turn may apply for indemnity under section 12 of the Workmen's Compensation Act.

If there be any deposit amount made by the Contractor with the Government the same may be retained until the result of the application made by the dependants is known. As the deposit money belongs to the Contractor it will be easy for the dependants to recover the compensation amount by attaching the deposit money."

With S. No. 49438

Submitted with reference to the o.N. at h37ante.

2. The F. D is of the opinion that it is desirable to attempt for the recovery of the amount from the contractor by contacting him by correspondence and if these attempts fail, then P.W.D may again approach that Deptt for sanctioning the amount finally.

3. In this connection it may be stated that the stand taken by the F. D is not ~~altogether~~ correct. It has already been made clear in this o. N. at h37ante that it is not possible to recover the amount from the contractor as he has already abandoned three Works (2 well Works & one canal Work) undertaken by him. The contractor has already suffered heavy loss in this connection. Further it is alleged on behalf of

the contractor that he has paid Rs 200/- as compensation to the heirs of the deceased Waddar Woman. In these circumstances it does not seem possible to recover any amount from the contractor. The F. D. may therefore be requested U.O. to sanction the amount finally as requested.

4, The S. E. K. I. C. has furnished a copy of letter No C.C. 6243 xP.43 dated the 14/16th May 1951 from the Commr. for Workmen's Compensation, Bombay, for perusal. ~~[illegible]~~

2. The F.D. has agreed with the views expressed in this Deptt. note at ~~flag~~ ante.

3. It is stated in that Deptt note that the small extra cost should be met from the sanctioned grants of the current year and no additional funds should be asked for that purpose. In this connection it may be stated that necessary orders in the matter have already been issued under this Deptt letter No. 52/2/35689.1 dated the 28.5.51. The S.E. K.I.C. has been instructed to make payments of the amount of Rs. 219-14-0 by debit to the Well Work in question. In view of this the question of requesting the F.D. for the additional grant does not arise. No further action therefore seems necessary in the matter.

D.S.

No. G-1

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, March 1952.

To

The Chief Engineer to Government,
Public Works Department, Bombay-1.

Subject:- Accident in the well at Ramthirth (Hoskop), Taluka Hangal, District Dharwar.

Reference: This office letter No.G-1 dated the 4th June 1951.

The Civil Judge, Senior Division and Ex-Officio Commissioner for Workmen's Compensation, Dharwar has intimated to the Executive Engineer, Dharwar Irrigation Division, Dharwar, that the court has awarded Rs. 630/- as compensation to the heirs of the deceased woman Shrimati Yellawa Kom Nagappa Kallawaddar, and that this amount should therefore be deposited for being paid to the heirs of the deceased.

2. In Government letter, P.W.D., No.S.2/2/35687-J, dated the 23rd May 1951, Government has accorded sanction to the payment of only Rs. 600/- to the legal heirs of the deceased through the Commissioner for Workmen's Compensation, Bombay as the latter had stated that the compensation admissible would amount to Rs. 600/- vide the latter part of paragraph 4 of this office letter No.G-1, dated the 7th December 1950.

According to the abovequoted Government letter, the payment of Rs. 600/- was to comprise of Rs. 380-2-0 already recovered from the piece-worker for the work of the well and Rs. 219-14-0 which the Executive Engineer, Dharwar Irrigation Division was authorised to pay by debit to the well work in question. As the Court has awarded compensation of Rs. 630/- as against Rs. 600/- intimated as admissible by the Commissioner of Workmen's Compensation, Bombay, the additional amount of Rs. 30/- awarded by the Court will also have to be paid and met by debit to the well work and Government approval to this may kindly be obtained at an early date. In the meanwhile, the Executive Engineer, Dharwar Irrigation Division, Dharwar, is being requested to deposit the amount of Rs. 600/-for being paid to the heirs of the deceased as already sanctioned by Government.
